

2026 Sale Used Pricelist

Enjoy special pricing when you shop using this document! To unlock exclusive discounts on select used models, be sure to reference promo code USEDDEAL or mention the "Sale Used Pricelist". Quantities are limited—act fast while supplies last!

QTY	Model	Price	Discount	Discounted Price	Description
-----	-------	-------	----------	------------------	-------------

Portable Vibration Calibrator

The Modal Shop's line of PVC has expanded, with options for prox probes, charge mode sensors, velocimeters and much more. Below is the most popular unit, but check out the entire line [here](#) and inquire if something is a better fit for your verification/calibration needs.

3	9110D	\$17,000	10%	\$15,300	Portable Vibration Calibrator, includes on-board ICP® and Voltage input, adjustable frequency range (5 Hz-10 kHz) and amplitude. LCD displays English or Metric units, with on-board memory, USB flash drive data storage, with ability to create cal certs.
---	-------	----------	-----	----------	--

Electrodynamic Exciters / Shakers

Similarly, our shaker product line has expanded, with options up to 500 lbf sine, and new high frequency shakers and more. Below is the most popular unit, but check out the entire line [here](#) and inquire if something is a better fit for your testing needs.

6	K2007E01	\$5,195	10%	\$4,675.50	Miniature shaker with integrated amplifier with BNC input, 31 N (7 lbf) pk sine force, 13 mm (0.5") pk-pk stroke. Includes trunnion base, 2110G06 stinger kit, and case
---	----------	---------	-----	------------	---

Ultra Miniature 1 gram mass Triaxial ICP® Accelerometers

These units are all adhesive mount 0.25" (6.35 mm) titanium cubes, 1 gram mass each.

20	356A03	\$1,686	10%	\$1,517.40	±500 g pk range, integral 5ft (1.5m) cable to 1/4-28 4-pin connector. <i>Includes 5ft (1.5m) breakout cable to (3) BNC plugs.</i>
20	356A03/NC	\$1,462	10%	\$1,315.80	Same as above, order breakout cable separately if needed.
28	356A06	\$1,607	10%	\$1,446.30	Triaxial miniature 1 gram ICP accelerometer, ±1000 g pk range, adhesive mount 0.25" (6.35 mm) titanium cube, mini 8-36 4-pin connector. Includes 034K10 10ft (3m) breakout cable to (3) BNC plugs.
28	356A06/NC	\$1,375	10%	\$1,237.50	Same as above, order breakout cable separately if needed.
20	356A01	\$1,652	10%	\$1,486.80	±1000 g pk range, integral 5ft (1.5m) cable to 1/4-28 4-pin connector. Includes 5ft (1.5m) breakout cable to (3) BNC plugs.
20	356A01/NC	\$1,462	10%	\$1,315.80	Same as above, order breakout cable separately if needed.
32	HT356B01	\$1,806	10%	\$1,625.40	Triaxial ICP accelerometer, ±1000 g pk range, adhesive mount 0.25" (6.35 mm) titanium cube, integral 5ft (1.5m) cable to 1/4-28 4-pin connector. Includes 5ft (1.5m) breakout cable to (3) BNC plugs.
32	HT356B01/NC	\$1,618	10%	\$1,456.20	Same as above, order breakout cable separately if needed.

Structural Test / Modal Triaxial ICP® Accelerometers

21	356B18	\$1,302	15%	\$1,106.70	±5 g pk range, 0.8" (20.3 mm) anodized aluminum cube, 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.
8	356M98	\$1,878	15%	\$1,596.30	±5 g pk range low outgassing triaxial accelerometer, 0.8" (20.3 mm) titanium cube, 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.
47	TLD356M98	\$2,515	15%	\$2,137.75	Same as above, but with TEDS.
7	356B08	\$1,372	35%	\$891.80	±50 g pk range, 0.8" (20.3 mm) anodized aluminum cube, 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud. <i>Demo/rental units may have some anodization scratches, use for testing without mounting base and/or ground loops.</i>

Units from demo/rental inventory may exhibit cosmetic defects (e.g., scratches or scuffs) but are sold fully calibrated/certified, and with a one-year warranty.

The Modal Shop is been accredited to ISO/IEC 17025 through A2LA.

31	TLD356A14	\$1401	10%	\$1,260.90	±50 g pk range with TEDS, 0.55" (14 mm) titanium cube, 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.
4	356A45	\$1,541	10%	\$1,386.90	±50 g pk range miniature with TEDS, adhesive mount 0.4" (10.2 mm) titanium cube with 1/4-28 4-pin connector.

General Purpose Triaxial ICP® Accelerometers

Various units, sorted by increasing amplitude range then increasing size/mass.

8	356A32/NC	\$1,229	10%	\$1,106.10	Same as above, order 034K-style breakout cable separately if needed.
6	356A63	\$1500	10%	\$1,350.00	±500 g pk range with filter , 0.4" (10.2 mm) titanium cube with 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.
20	TLD356A02	\$1,189	10%	\$1,070.10	Same as above but with TEDS.

Piezoelectric Triaxial Accelerometers for High Temperature Testing

40	HT356A15	\$1,412	20%	\$1,129.60	±50 g pk range ICP® (325°F/163°C) general purpose, 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.
20	356A70	\$1,195	10%	\$1,075.50	±500 g pk range charge output (490°F/254°C) , ±500 g pk range, 7.9 gram titanium unit with (3) 5-44 connectors. Includes 10-32 mounting screw.
8	HT356B20/NC	\$1,444	10%	\$1,299.60	±5000 g pk range ICP® (356°F/180°C), 0.4" (10.2 mm) titanium cube, mini 8-36 4-pin connector. Includes adhesive mounting base and mating stud.
10	HT356A66	\$1,714	20%	\$1,371.20	±500 g pk range ICP® with built-in filter , (325°F/163°C), 0.55" (14 mm) titanium cube with 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.
8	HT356B21/NC	\$1,362	15%	\$1,157.70	±500 g pk range ICP® (325°F/163°C), mini 8-36 4-pin connector. Includes adhesive mounting base and mating stud.
15	HTTLD356A02	\$1,391	15%	\$1,182.35	±500 g pk range ICP® with TEDS , (325°F/163°C) 0.55" (14 mm) titanium cube, 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.
7	HT356A33	\$1,458	10%	\$1,312.20	±500 g pk range ICP® (325°F/163°C), 0.4" (10.2 mm) titanium cube with 1/4-28 4-pin connector. Includes adhesive mounting base and mating stud.

Seat Pad Piezoelectric Triaxial Accelerometers for Whole Body Vibration Testing

3	356B41	\$1,935	10%	\$1,741.50	Seat Pad accelerometer, ±10 g pk range. Conforms to ISO 10326-1. Includes 5ft (1.5m) breakout cable to (3) BNC plugs.
3	356B41/NC	\$1,757	10%	\$1,581.30	Same as above, but no breakout cable supplied.

General Purpose Uniaxial ICP® Accelerometers

All of these units include adhesive mounting base.

34	352C68	\$447	10%	\$402.30	±50 g pk range 2 gram mass titanium unit with 10-32 top connector and 5-40 plug mounting thread
18	TLD352C03	\$418	20%	\$334.40	±500 g pk range 5.8 gram mass titanium with TEDS , 10-32 side connector and 10-32 jack mounting thread.
45	608A11/-0131	\$130	25%	\$97.50	Low-cost, general purpose, industrial ceramic shear ICP accelerometer, ±500 g pk range, top exit, 3-ft integral cable to blunt cut, single point ISO 17025 accredited calibration

- [Ask](#) - [Varies](#) - [Many more uniaxial units are available, please ask](#)

Miniature "Teardrop"-Style Uniaxial ICP® Accelerometers

Sorted by increasing amplitude range then increasing size/mass. Units include custom removal tool (unique to sensor model)

4	TLD352A56	\$818	10%	\$736.20	±50 g pk range 1.8 gram mass titanium unit with 5-44 side connector.
---	---------------------------	-------	-----	----------	--

Units from demo/rental inventory may exhibit cosmetic defects (e.g., scratches or scuffs) but are sold fully calibrated/certified, and with a one-year warranty.

Contact The Modal Shop to make your purchase: rentalteam@modalshop.com

The Modal Shop is been accredited to ISO/IEC 17025 through A2LA.

8	352C23	\$871	10%	\$783.90	±1000 g pk range 0.2 gram mass anodized aluminum with 030A10 10ft (3m) cable, 3-56 plug to 10-32 plug.
8	352C23/NC	\$762	10%	\$685.80	Same as above, but no breakout cable supplied.
20	352A25	\$636	10%	\$572.40	±2000 g pk range 0.6 gram mass titanium unit with 030A10 10ft (3m) cable, 3-56 plug to 10-32 plug.
20	352A25/NC	\$526	10%	\$473.40	Same as above, but no breakout cable supplied.
16	TLD352A57	\$959	10%	\$863.10	±2000 g pk range 1.33 gram mass titanium unit with 5-44 side connector.
11	TLD352M172	\$675	35%	\$438.75	Miniature 1.8 gram, ceramic shear ICP® accelerometer, ±500 g pk range, with TEDS and 5-44 coaxial connector.

ICP® Accelerometers for Shock Applications

Units are mechanically isolated and electrically filtered

23	350D02	\$1,045	20%	\$836.00	Shock ICP accelerometer, 0.1 mV/g, 50 kg, 10-ft integral cable, 1/4-28 integral stud
2	350B03	\$1,035	30%	\$724.50	±10000 g pk range uniaxial 4.5 gram mass titanium unit with 10-32 top connector and 1/4-28 plug mounting thread
32	350B04	\$1,092	30%	\$764.40	±50000 g pk range uniaxial 4.5 gram mass titanium unit with 10-32 top connector and 1/4-28 plug mounting thread
27	350B01	\$1,216	15%	\$1,033.60	±100000 g pk range uniaxial 4.5 gram mass titanium unit with 10 ft integral cable terminating in 10-32 jack connector, 1/4-28 plug mounting thread

Piezoelectric Very High Temperature Uniaxial Accelerometer

20	357B61/NC	\$1,078	20%	\$862.40	±1000 g pk range charge output (900°F/482°C) , 7. gram Inconel unit with side 10-32 electrical connector, 10-32 jack mounting thread. Use with hardline cable and matched in-line charge converter, ordered separately.
----	---------------------------	---------	-----	----------	--

Microphones/Acoustics

18	HT378B02	\$1,420	5%	\$1,349.00	Hi Temp Precision 1/2" prepolarized free-field condenser microphone, 50 mV/Pa, 3.15 Hz - 20 kHz (+/-2dB) with HT426E01 1/2" ICP® preamplifier and TEDS.
27	130E20	\$395	30%	\$276.50	Array Microphone with integral preamplifier, BNC jack connector
61	130E21	\$395	30%	\$276.50	Array Microphone with integral preamplifier, 10-32 connector
1	SoundCam	Call	20%	Call	CAE SoundCam Acoustic Camera - 64 channel. SoundCam is certified/tested, does not include fresh calibration

Triaxial ICP® Force Sensors

4	260A02	\$3,690	30%	\$2,583.00	Triax ICP® force sensor, 1k lb (Fz), 1k lb (Fx,y), 2.5 mV/lb (z), 5 mV/lb (x, y)
12	260A11	\$2,200	30%	\$1,540.00	Triax Force Sensor, Fz=1000lb; Fx, Fy=500 lb; 15 pC/lb (z); 32 pC/lb (x,y).
14	260A31	\$2,200	30%	\$1,540.00	Triax force sensor, reversed shear polarity, 1k lb (Fz), 500 lb (Fx,y), 15 pC/lb (z), 32 pC/lb (x, y)

Units from demo/rental inventory may exhibit cosmetic defects (e.g., scratches or scuffs) but are sold fully calibrated/certified, and with a one-year warranty.
